

teamfoosball

TeamFoosball of Foosball.com has partnered with Bogart's and MinnesotaFoosball.com as the premier foosball venue in Minnesota. Weekly and monthly events for different skill levels will be available for foosball players to test their mettle against one another. USTSA points will be recognized.

The concept of TeamFoosball is to "Think Globally and Act Locally." Foosball.com has issued a 12-month challenge to foosers. Each month will be centered around a central theme. The theme is designed for foosers to have a monthly focus to do what's right for the greater good of the game.

January 2005 will be the launch date for this locally promoted global awareness. With the new year brings New Year's resolutions. The theme for January is to bring a "new" player to your local DYP, league, or event. So, Happy New Year!!! Kick start it with January's foosball challenge to integrate new foosers into your local foos scene. Spend some time this month focusing on what you can do to find a few new foosers or raise the level of involvement of some current foosers in your area. Here's a few ideas/ challenges to jog your brain.

- Take extra event flyers and post them at nearby foos locations, game rooms, college campuses, soccer facilities, etc.
- Hand out "free entry" coupons for first time foosers
- Offer to teach/coach new foosers
- Keep on the lookout for brand spanking new foosers who just got a table for Christmas

Weekly Draw-Your-Partner events will be held every Tuesday at 8pm at Bogart's. Registration begins at 7pm and closes at 745pm. No late exceptions will be allowed.

Monthly Bring-Your-Partner events will be held the last Sunday of every month at Bogart's, unless otherwise notified. Please see the other side for more details.
